## MEDABOTS

Animation Series  
1999

# robosen

**Title:**

## *The Awakening*

### **Logline Pilot:**

Roby, a fearful kid must find within himself the courage to face whoever was responsible for his mother's death. One day, Roby manages to enter into the basement where his mother worked. Being there, he realizes all his mothers inventions were created to fight an evil entity called Rakshasa. With the help of inter-dimensional robots called The Robosen, Roby will manage to fight the villain once and for all. With this, he'll find out that his destiny and the ability to overcome his mother's grief, lies entirely in his hands.

**COST:**

500K to 700K

**Length:**

5 minutes.

**Genre:**

Adventure / Mystery.

**Premise:**

The place we fear the most is usually where we'll find what we've been looking for.
