## SERIES:

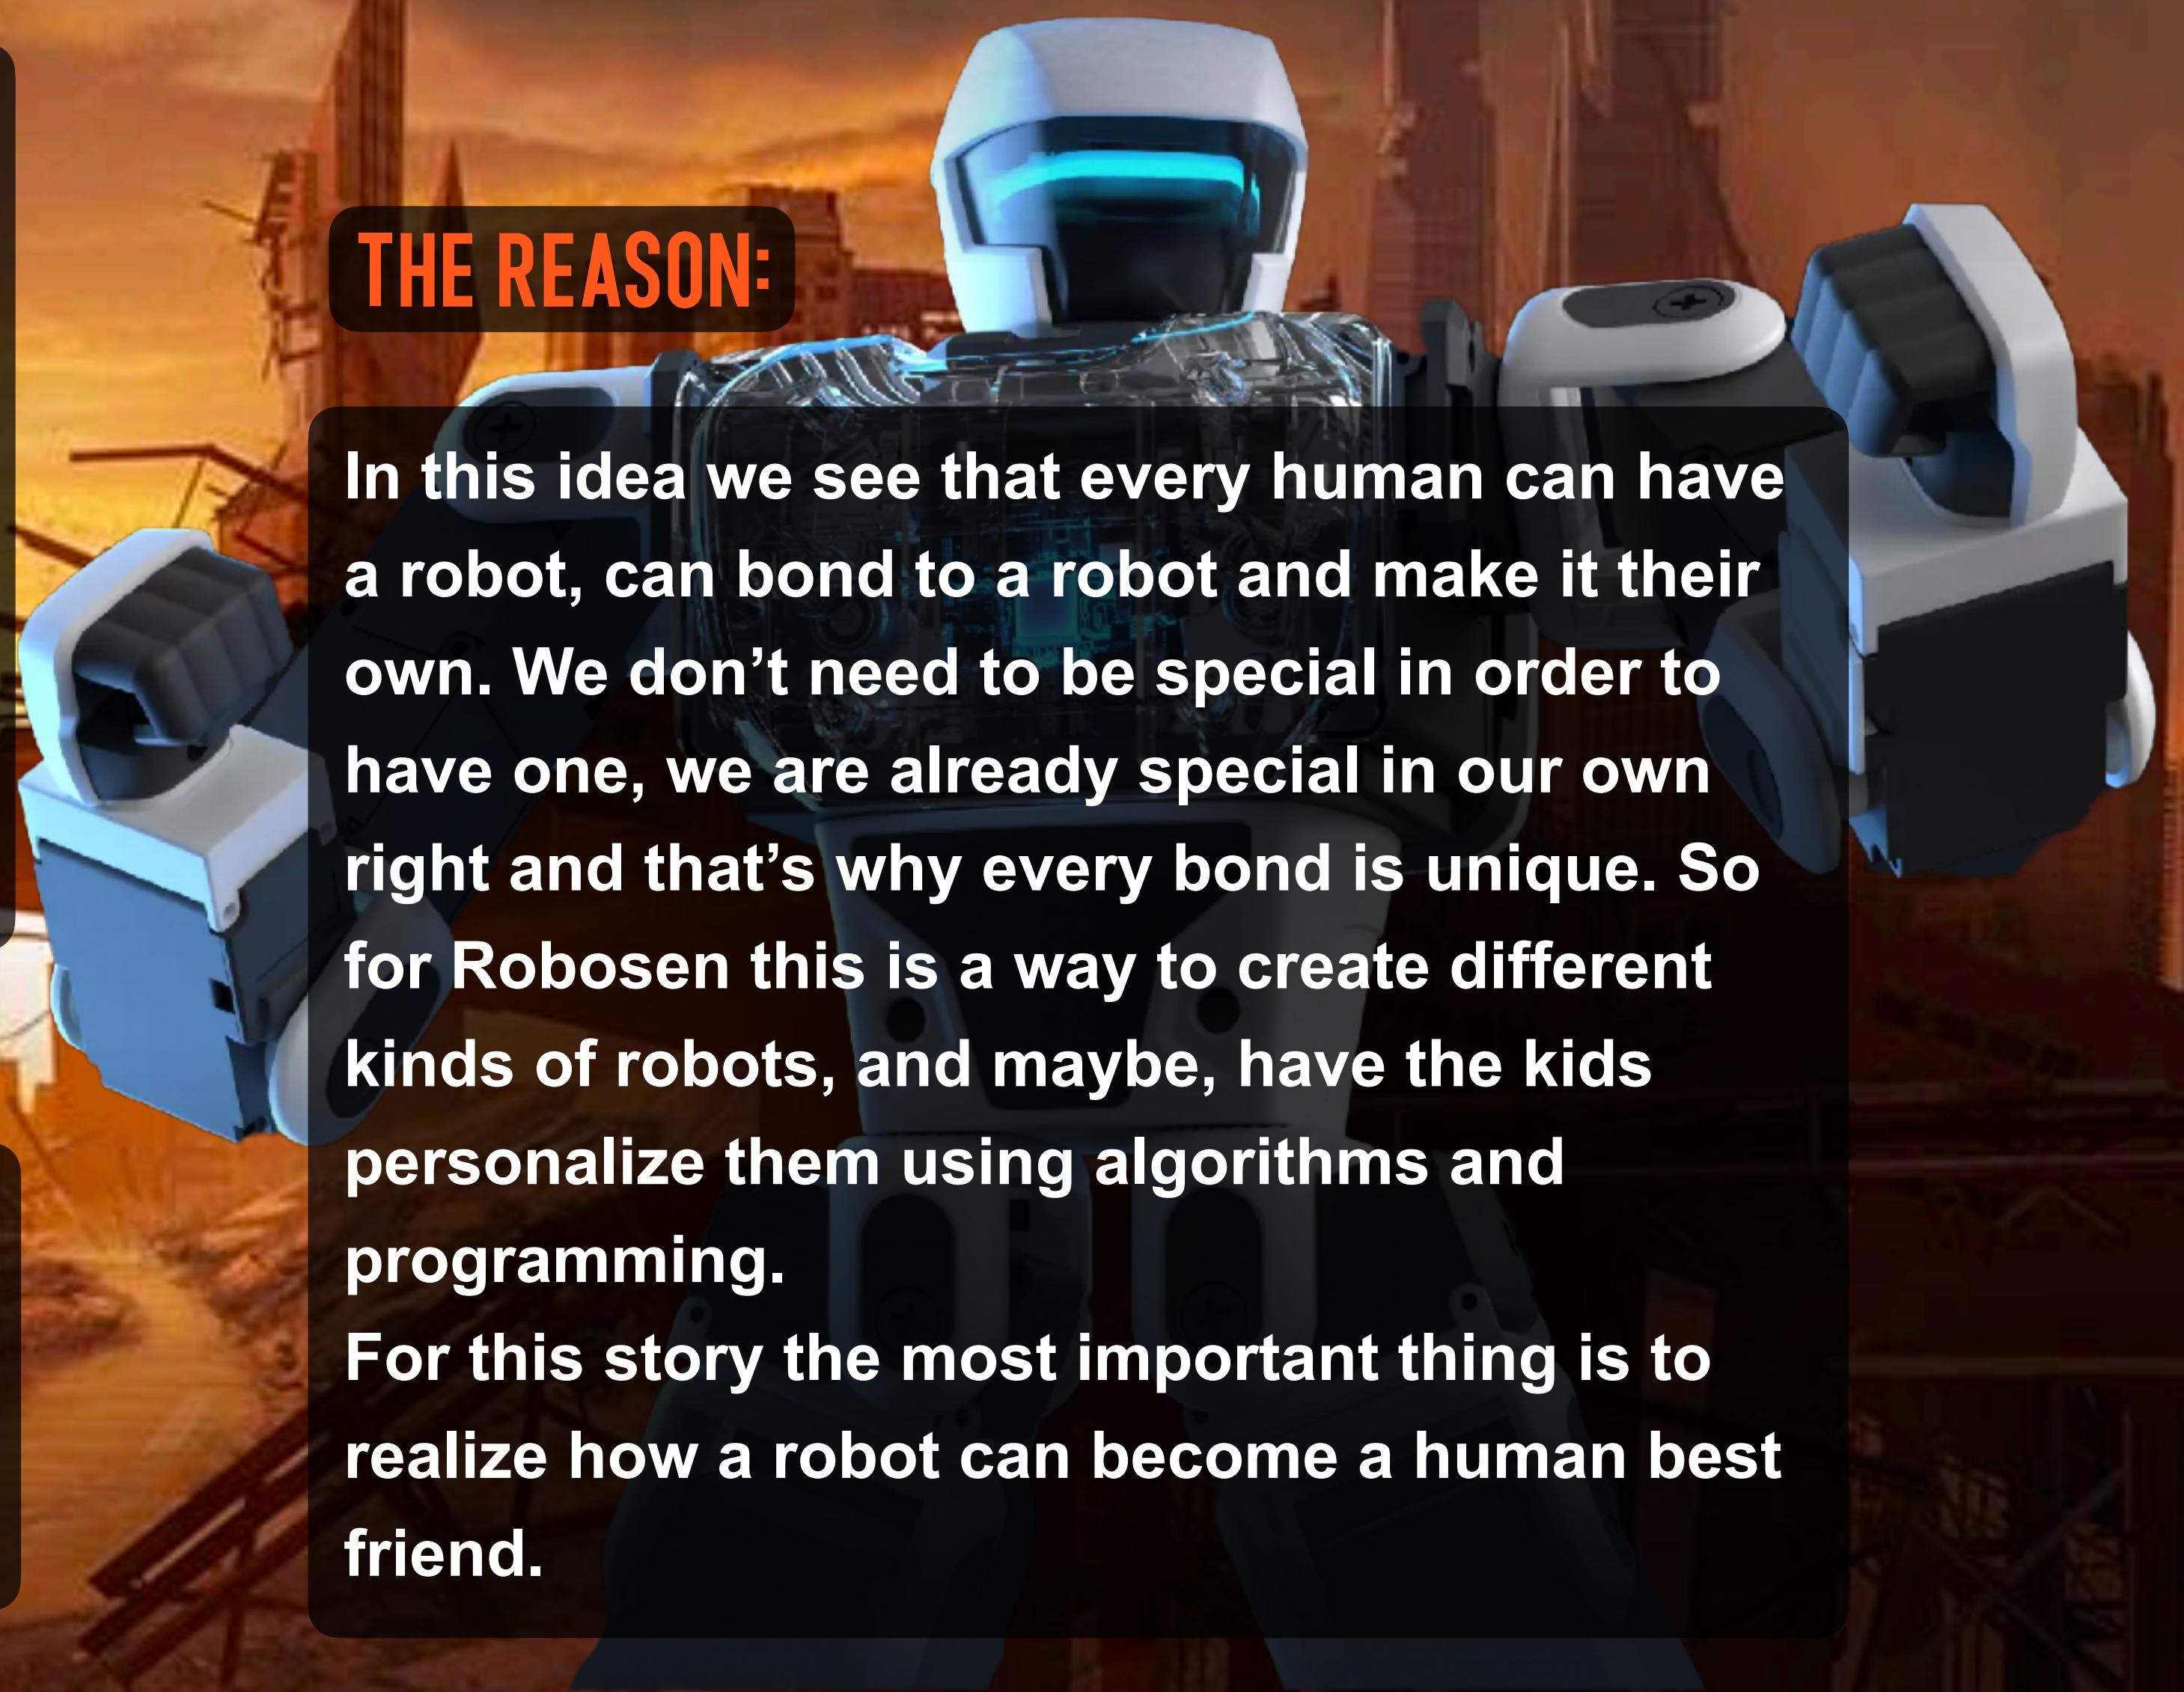

After finding K1, Robby realizes humanity might have a chance against the eaters; he just needs to find a group of people and robots that are willing to fight.

In the following episodes will meet different kids, some of them already connected to a robot, those who don't will find their robot whit K1 help. Everyone can connect to a robot, that's the magic of this connection: humans give the robots a soul, a unbreakable bond.

Roby forms a new family with robots and humans, leads them to fight with K1 by his side.

## POSSIBILITY CONTINUATION SERIES:

The eaters escape from earth, humanity is safe again... trying to rebuilt what is left, Roby and K1 start to explore outside the planet to find out that there is a whole universe out there, billions of alien races capable of being allies or... enemies.
